NUR SYAHIRA IRMA BINTI JASRUL NAZURIN

CHERAS, SELANGOR | +6018-2072340

syahirairma01@gmail.com · www.linkedin.com/in/nursyahirairma

Seeking a position in Software Engineering, Web development, or Apps development to leverage skills in Java, PHP, Python, JavaScript, HTML, and CSS. With hands-on experience in development, debugging, and collaborative projects, I aim to contribute effectively while enhancing my problem-solving, communication, and leadership abilities.

EDUCATION

Bachelor of Software Engineering (Information System Development) with Honours, October 2021 – Present, Universiti Kebangsaan Malaysia (UKM), Bangi, Selangor.
CGPA: 3.57
Among subjects taken: Android Programming, Web Programming, Data Engineering, Advanced Database, Software Testing.

Science Stream (Module 2), May 2019- May 2021, Kolej Matrikulasi Selangor (KMS), Banting, Selangor
CGPA:3.50
Among subjects taken: Computer Science, Physic, Chemistry, Mathematics

TRAINING

Program Persiapan Kerja Ready2Hire, August 2024, Career Cube and Lembaga Zakat Selangor, Park Inn by Radinsson Hotel, Putrajaya.
- A 3-day program focused on preparing for work, covering professional appearance, writing effective resumes, interview etiquette, professional communication, and job-hunting strategies.

WORK EXPERIENCE

Web Developer (Intern), October 2024 – January 2025, Top Click Sdn. Bhd., Petaling Jaya, Selangor
- Developed frontend components and first drafts for client websites using WordPress and Figma, ensuring alignment with client requirements and brand guidelines.
- Implemented revisions and updates based on client feedback to improve website design and user experience.
- Collaborated with the design team to optimize user interfaces and enhance visual consistency across projects.

Factory Operator (Part-Time), January 2019 – March 2019, Guppy Plastic Sdn. Bhd., Balakong, Selangor
- Operated packing machinery to efficiently prepare products for shipment, ensuring timely delivery and customer satisfaction.
- Handled production machines to manufacture high-quality products, enhancing overall production efficiency and output.

ACTIVITIES AND INVOLVEMENT

- Vice Exco Sahsiah & Kerohanian, Persatuan Mahasiswa Fakulti Teknologi & Sains Maklumat (PERTAMA), Universiti Kebangsaan Malaysia (UKM), 2022-2023.
- Treasurer, Special Interest Group, Business Innovation (SIG i-Bisnes), Faculty of Information Science & Technology (FTSM), Universiti Kebangsaan Malaysia (UKM), 2022-2023.
- Supervisor, Terokai Era Baharu Perniagaan Bersama Tiktok, SIG i-Bisnes, June 2023.
- Assistant Program Director, Jamuan Raya FTSM 2023, PERTAMA, May 2023.
- Ramadhan Mendidik Volunteering Program, Watan UKM, April 2023.
- Program Director, Pertandingan Quotes, PERTAMA, January 2023.
- Secretary, Lawatan Ke Rumah Orang Tua, PERTAMA, January 2023.

ACHIEVEMENTS
Dean List Achievement: Semester 2 2023/2024, Semester 1 2022/2023, Semester 2 2021/2022.

DEVELOPMENT PROJECT
Platform Mampan Untuk Pekerja Gig Ekonomi, Final Year Project
- A website system about student FTSM was developed to enable students to do part-time jobs to gain experience before graduating and earn pocket money by showcasing their specialties in certain work, especially in IT, computer science, and software engineering. This system was developed using Sublime and PHP, JavaScript, CSS and HTML as the programming language, and it utilized phpMyAdmin for its database and backend services.

Car Friendly
- This was a mobile application designed to manage car rentals in UKM, offering a cheaper alternative to other applications. It was more accessible to UKM's students and staff, allowing them to rent cars from fellow UKM students. Car Friendly was developed using Android Studio and Java as the programming language, and it utilized Firebase for its database and backend services.

SKILLS
Programming Language	Java, PHP, JavaScript, HTML, CSS, Python
IT Proficiency	Microsoft Office Application (Excellent), Android Studio (Excellent), Visual Studio (Excellent), Eclipse IDE(Excellent), Sublime Text (Excellent), Wordpress (Good)
Language Proficiency	Bahasa Malaysia (Native), English (Intermediate)
